

OPEN MEETING AND PRESENTATION – February 22nd, 2023 (Wednesday)

SPEAKER: Yogesh Ramanan, P.E., Assoc. DBIA President & Owner, YOR Engineering

TOPIC: Polyurethane Coated Steel Trunk Water Main

LOCATION: AIA New York Center for Architecture (CFA)
536 LaGuardia Place, New York, NY 10012

Refreshments will be served at 5:30PM. Presentation will start at 6:00PM

Mr. Ramanan serves as the president of YOR Engineering which was established in 2015 and has grown into an experienced New York State & City MBE/DBE firm. Mr. Ramanan not only leads YOR in its business development and project management, but also serves as a Resident Engineer for the company. This technical understanding of the construction industry coupled with his management level experience and his over 16 years of infrastructure experience involving various State & City agencies including the NYC DDC, NYC DEP, NYC DPR, NYC DOT, NYS DEC, & NYS DOT, allows him to be an industry leader in the field of construction engineering & inspection within the Greater New York City Area. Mr. Ramanan is a licensed Professional Engineer in both New York & New Jersey with a Bachelor of Science in Civil Engineering from the School of Engineering at Rutgers University in the State of New Jersey.

Objective: To introduce the installation procedures for polyurethane coated trunk water main, which is a new initiative being implemented by the NYCDEP/NYCDDC on their capital projects

This presentation is certified for one (1) Professional Development Hour (PDH)

Lecture is free for MENY members (\$15 for non-members)
